

Guidelines – Portfolio Design, Implementation, and Evaluation

How to introduce yourself to the global audience?

Tell the people who are ...

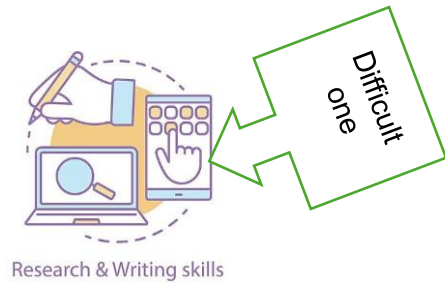

What's your capacity? Your expertise?

How you can contribute to your organisation ...

Show how you are competent for the position ...

What you can do for the Global Society ...

Present the following skills in your PORTFOLIO

Your Portfolio must exhibit -

Your mental character

Your attitude

Your strengths and capacities

Self-motivation

Emotional Intelligence

The question is >> **How would you do these??**
